Private Lesson Fees and Policies

Private lessons are available upon request. The class time will be set with the individual instructor for the convenience and availability of both parties. Lessons are given in half, three quarter and one hour increments.

Half Hour-\$35.00

Three Quarter Hour- \$55.00

One Hour- \$70.00

Once the class day and time have been agreed upon, the time slot will be maintained on the master schedule to facilitate this private lesson. If a lesson needs to be canceled, we require at least a twelve (12) hour notice without charge. Any cancellations after that will accrue a \$35.00 cancellation fee. Furthermore, if the lesson is cancelled one hour or less before the meeting time, full payment will be due.*

*Please understand that a teacher and a room are placed on hold for your lesson, when you cancel, we try to fill the space if there is enough notice! If you cancel late, we lose that saved time in our studio space.
